COPY OF LETTER FROM THE COMMISSIONER FOR GOVERNMENT EXAMINATIONS, MADRAS, R.C.NO.28-A/51, DATED 26--3--1951.

SUB: S.S.L.C. PUBLIC EXAMINATION - Examiners and Additional Examiners - Travelling Allowance.

The rates of Travelling Allowance to Examiners and Assistant Examiners in connexion with the Examination under my control are governed by rule IV of Part III, Volume I of Madras Manual of Special, Pay and Allowances as amended from time to time. With reference to the above rule, a large number of Examiners and Additional Examiners who are Headmasters of High Schools of Senior Assistants, drawing a pay exceeding Rs.125 and not exceeding Rs.500 are eligible only to travel by the Inter Class (train).

With effect from the Examination of March '51 the conference of Assistant Examiners in the several subjects for issuing instructions for valuation of scripts with a view to securing uniformity in marking is dispensed with. The Examiners and Additional Examiners alone meet with the Paper Setters in the respective subjects for discussing and finalising the instructions. Detailed instructions are prepared in each subject or part of a paper and circulated to the Assistant Examiners concerned for their guidance.

By dispensing with the meeting of Assistant Examiners in the several subjects, there will be a large savings under Travelling Allowance as about 1800 need not go over to Madras for attending the examiners' meetings. In keeping with the dignity attached to Examiners and Additional Examiners whose number will be about 150, I recommend that they may be paid Single Second Class fare by Rail. The Daily Allowance and Mileage may be based on their salarie hitherto.

In view of the fact that the extra cost involved will not be much, I request that Government will be pleased to accept my proposals and issue favourable orders at a very early date.

I may add that the several Examiners who attend the meeting in Connexion with the Examination of March 1951 have represented to me that they should be paid at least Second Class fare by rail as is done in connexion with the University Examinations. The extra cost involved by my proposal will be more than compensated by the saving resulted by not convening the meeting of the Assistant Examiners.
